Spaced Out Score Sheet Level 2

Event Name:_____ Date:_____

Handler Name: _____ Dog Name: _____ Level:_____

Judges Scoring Notes: The zones with stars are the catch zones. Place a tally mark for each catch made in a catch zone. Tally misses and out of bounds catches to the side. Once all six starred zones have a tally mark, move to the next grid. Each tally mark = 5 points. "Spaced Out" grids (ones with a tally mark in each of the six starred zones) = 40 points. If handler and dog are in the sweet spot when time is called circle the SS and add 5 points to the total.
