Achievements and UPs

The Basic Idea

We want every UpDog game to inspire you and your dog to play. achieve. expand.

So we added some rewards along the way. They are called achievements. You can earn achievements by completing certain objectives. You will naturally do this by simply playing the games. But some achievements require some extra effort or skill.

UPs are the rewards you get when you earn a certain number of achievements. These are kind of a big deal. And UPs are your key to unlocking new game levels. It takes a certain

number and combination of UPs to move to the next level.

Thanks for playing along with us at UpDog. We're excited to build a unique and rewarding system to recognize the achievements of you and your dog. We welcome your feedback.

The Map of Success shows you the path you take as a player in each game earning achievements and UPs.
