

About us

UpDog Challenge

UpDog is a disc and dog sport organization.

Mission – The mission of UpDog is to increase the number of dog owners participating in disc and dog sports

Vision – Our vision is to develop an organization that combines the elements of dog sports and human disc sports with earned accomplishments. UpDog will award participants for their participation over time regardless of their finishing position in the games.

Principles – Everyone should have an opportunity to be acknowledged for their continuing participation and singular as well as comprehensive accomplishments. Dogs are to be treated with love and respect.

OUR AMBITIOUS GOALS

1. Double the number of people participating in disc sports with their dogs.
2. Have 52 UpDog events in one year.
3. 10,000 UpDog members.
4. Develop the best technology, games and structure in the dog sports.

5. Have our premier events be sponsored and televised.

THE FOUNDERS

The Fahle's (Jack & Kat)

Games Master, VP of Expansion, Rising Star

Jack is revolutionizing traditional disc dogging games through UpDog and is our head rule maker and mastermind. Kat is an ambassador to agility teams through her creative crossover games and our Uber talented admin of all things UpDog.
